

Membership Benefits

California Association for Licensed
Professional Clinical Counselors

Overall Member Benefits

- Consultation Questions. Have a question about the licensure process? How to look for a job once you get licensed? Ethical dilemma? Receive access to a group of LPCC's that can help!
- Ethics. Access CALPCC's team of ethics professionals when faced with an ethical dilemma that you need advice on.
- Regional Networking. Create professional communities with potential supervisors, colleagues, and employers in your community through regional group meetings and events.
- Hot Jobs. Access to exclusive employment and training opportunities.
- Advocacy for LPCC's. Receive regular updates on changing laws, statutes, and regulations.
- Education Catalog. Members receive special pricing on a range of course offerings to satisfy licensure requirements.

Student Member Benefits, receive all the above plus:

\$40 Yearly

- Student Access Line. Have a question about what it's like to be licensed or working in the field?
- Pathways to Licensure Program. Information sessions and webinars about finding a private practice, supervision, examinations, hours accrual, and licensure application support.
- Student Symposium. Attend the student focused event centered around the needs of our developing professionals.

Associate Member Benefits, receive all the benefits above plus:

\$65 Yearly

- Associate Access Line. Get your questions answered about licensing, associate numbers, site placement, and supervision.
- Private Practice Hub. Connection to resources focused on developing or maintaining your practice, including webinars, checklists, templates, forms and video recordings.
- Peer consultation for APCC's. Ongoing clinical consultation groups for APCCs to receive and provide support in their pre-licensed clinical work. (Note: these are in addition to an APCC's clinical supervision and do not count towards licensure).

Clinical or Affiliate Member Benefits, receive all the benefits above plus:

\$110 Yearly

- Legal Advice. Access to an affiliated, board-certified attorney who can consult on ethical and legal issues.
- 2 Free CEUs per year through the CALPCC Education Catalog. Savings of up to \$25 per year!
- Professional Development. Attend webinars and information sessions for fully licensed on Law and Ethics, Interventions, Practice Management and other subjects.
- Counselor Educator Consortium. Counselor Educators have access to an exclusive network of Educators across the state to consult on issues related to counselor training, institutional changes, and Board of Behavioral Sciences updates.

Lifetime Member Benefits, receive all the benefits above plus:

\$999

- Access to 4 free Continuing Education Units per year. Savings of up to \$50 per year!
- 20% Discount at the CALPCC store.
- Attend the new exclusive conversation series hosted by CALPCC between Lifetime Members and Special Guests.
- Certificate of Membership and special gift.
- Protection against future membership rate increases, access to premium CALPCC events and content.
