

### Overall Member Benefits

- **Consultation Questions.** Have a question about the licensure process? How to look for a job once you get licensed? Ethical dilemma? Or even how to connect with other professionals? Receive access to a group of LPCC's that can help!
- **Ethics.** Access CALPCC's team of ethics professionals when faced with a ethical dilemma that you need advice on.
- **Regional Networking.** Connect with potential supervisors, colleagues, and employers in your community through regional group meetings and events.
- **Hot Jobs.** Access to exclusive employment and training opportunities.
- **Advocacy for LPCC's.** Receive regular updates on changing laws, statutes, and regulations.
- **Continuing Education Discount.** Members receive special pricing on courses to satisfy licensure renewal requirements. We offer both live events and a range of online courses at [education.calpcc.org](http://education.calpcc.org).

### Student Member Benefits (\$40/year) - receive all the above, plus:

- **Student Access Line.** Have a question about what it's like to be licensed or working in the field? Sign into your Member Dashboard to ask a question.
- **Pathways to Licensure Program.** Information sessions and webinars about finding a private practice, supervision, examinations, hours accrual, and licensure application support.
- **Student Symposium.** Attend the student focused event centered around the needs of our developing professionals.

### Associate Member Benefits (\$65/year) - receive all the above, plus:

- **Associate Access Line.** Get your questions answered about licensing, your associate number, site placement, supervision, and much more!
- **Private Practice Hub.** Resources focused on developing or maintaining your practice, including regular webinars, checklists, templates, and video recordings.
- **Peer consultation for APCC's.** Ongoing clinical consultation groups for APCCs to receive and provide support in their pre-licensed clinical work. (*Note: these groups are in addition to an APCC's clinical supervision and do not count towards licensure*).

### Clinical or Affiliate Member Benefits (\$110/year) - receive all the above, plus:

- **Legal Advice.** Consult with an affiliated, board-certified attorney on ethical and legal issues encountered in practice.
- **2 Free Continuing Education Units** per year through the CALPCC Education Catalog. (\$28 savings!)
- **Professional Development.** Attend webinars and information sessions on Law and Ethics, Interventions, Practice Management and other subjects.
- **Counselor Educator Consortium.** Counselor Educators have access to an exclusive network of Educators across the state to consult on issues related to counselor training, institutional changes, and Board of Behavioral Sciences updates.

### Lifetime Member Benefits (\$999/1-time fee) - receive all the above, plus:

- **Enjoy protection against future membership rate increases.**
- **Access to 4 free CEUs** per year through the CALPCC Education Catalog. (\$48 savings!)
- **20% Discount** at the CALPCC store.
- **CALPCCx Access.** Exclusive new conversation series between Lifetime Members and special guests.
- **Premium Event Access.**
- **Lifetime Certificate.** Receive a special gift and certificate to display in your office.
